APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, manner and place of use of the waters of the Truckee River as heretofore granted under Claims Nos. 391 and 403, Truckee River Final Decree, is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.63 c.f.s., or 540 acre-feet per season.

Actual construction work shall begin on or before April 28, 1960

Proof of commencement of work shall be filed before May 28, 1960

Work must be prosecuted with reasonable diligence and be completed on or before April 28, 1964.

Proof of completion of work shall be filed before May 28, 1964.

Application of water to beneficial use shall be made on or before April 28, 1969.

Proof of application of water to beneficial use shall be filed on or before May 28, 1969.

WITNESS MY HAND AND SEAL this 28th day  
of April, 1959
